Please write **“Watch for repair – no commercial value”** on the airway bill or documents enclosed.

Upon receipt, we will determine if the watch is under warranty.

IF YES – under warranty, we will confirm and issue an ETA of completion and return the watch to you at our cost.
IF NO – not under warranty, we will issue a quotation for your review. Once quotation is confirmed, the repair will proceed. —▶ We will ask for full payment covering shipping / handling parts and labour.

Once payment is received, repair will commence and an ETA will be provided and watch will be shipped back to you. Should you decline the quotation for non-warranty repair, we will ask that you cover freight for the return of watch to you.
